THE WORST GALE
REPORTED IN YEARS

Thirty-Four Wrecks and Twelve
Lives Lost the Record.

This May Be Doubled When Complete
Reports Are Received
From Storm Centers.

PROPERTY LOSS IS GREAT

Chicago, Ill., Oct. 21.—A list of thirty-four wrecks, with a loss of at least twelve lives, is the result of the great storm which swept over the lakes, starting in the west and reaching the lower lakes yesterday.

The wires to many important news centers are down and the list of vessels and dead may be doubled when full reports come in.

The heaviest loss to life and property was when the Canadian ship Minnandosta foundered in Lake Huron.

Nine people went down with the vessel and the cargo was valued at over a million dollars.

Reports are that the gale ranged in velocity from 24 to 72 miles an hour.

The storm is still sweeping over Lakes Huron and Erie and more casualties and marine losses will be reported within the next 24 hours.

All reports are to the effect that the gale is the worst for many years. Train service and telegraphic communication is cut off in upper Michigan since Thursday evening.

Storm Has Abated.

Chicago, Ill., Oct. 21.—Conditions along the lake began to grow normal today. A number of vessels that fought the hurricane made port at Chicago harbor and reported some damage but no further loss of life. The masters of vessels declared the storm was the worst ever experienced.

A FINE PAINTING

In Reproduction May Be Seen at Library—It Is "Destiny and Humanity."

Such is the title of the celebrated painting by the famous Flemish artist, Jef. Leempoels, recently on exhibition in the Liberal Arts building at St. Louis, an elegant carbon reduced reproduction of which, by the kind permission of Miss Heirle Willett, to whom the same belongs, has just been placed in the ante-room of the Carnegie library of this city, where it will remain for a few days for the delectation of art students and patrons of the library. The picture was ordered last summer from the fine arts building house of Franz Hansfange, in Munich, and has just arrived. The theme of the magnificent painting was used as an illustration by Miss Willett in her splendid address last June before the alumnae association of Mt. St. Joseph Academy at Owensboro, Kentucky, in which she most aptly characterizes it as "The Supreme Ideal."

ENGLISH OFFICERS

Were Captured by Bandits But Were
Liberated.

Liverpool, Oct. 21.—Dispatches from Taglier confirm the report that Capt. Crowther and Lieut. Hutton, British officers, were captured by bandits early in the week, and released. The bandits demanded the release of two of their companions who were taken prisoners. These men were set free in accordance with the bandits' demands, and the British officers were accordingly liberated.

NEW STAR.

Has Been Found By Astronomers—
It Changes Color.

Chicago, Ill., Oct. 21.—What appears to be a new star of large size and of immensely brilliant appearance, is observed in the northwest horizon. A remarkable feature of the star is its constantly changing colors. It was first yellow, then red, and finally turned a beautiful green.

DECLINED JOB.

CONTRACTORS DID NOT THINK
THEY COULD FINISH.

Board of Works Cannot Extend the
Time Into the Next Fiscal
Year.

Lee and Everwood, of Columbus, Ind., to whom the contract for paving and curbing West Jefferson street from 14th to 25th street was awarded, failed to sign the contract with the board of public works yesterday afternoon, and this will necessarily delay the improvement.

The contractors allege that they cannot complete the job in the specified time, January first, and for this reason refused to sign. Their bid was the lowest and if some other contractor can not be secured to take the contract at this price or at the next best price, the job will have to be readjusted.

The time for completion of the job cannot be advanced because the city cannot let contracts into the next fiscal year. This leaves the board of works in a bad predicament, but it will most probably this afternoon and take some action in the matter.

FASTEST RUN EVER.

Chief Tyson of Louisville, Highly
Compliments Paducah Department.

Chief Fillmore Tyson, of the Louisville fire department, remained in Paducah yesterday afternoon in order to witness a test run of the fire department which was made at 1:30 o'clock to Seventh and Washington streets.

From the time the bell rang to the second a stream of water was secured. It required but two minutes and ten seconds of time, the fastest run Chief Tyson said he ever saw or heard of. Chief Tyson greatly admires Chief Wood and his men and says he thinks Paducah has the best equipped and fastest fire department in the country. He returned to Louisville this morning at 1:40 o'clock.

Boys' Identity Learned.

The officers will present the bill of damages to the boys' parents, and if they refuse to pay it, the boys will be warranted for vandalism. The total damage to the forty windows broken out will amount to about \$25.

CAPTAIN OF POLICE
PAINFULLY CUT

Officer Joe Wood Seriously
Wounded by John Hobson.

Altercation On Legal Row Shortly
After Midnight—Wounds Not
Fatal.

HOBSON IS OUT ON BOND.

Capt. Joe Wood, of the police department, was seriously cut about 12:30 o'clock last night by John H. Hobson, former deputy circuit clerk, and a well known musician, in front of the hallway leading to Capt. Wood's rooms over the Kahn law office on Legal Row.

The wound is several inches long, between the upper and lower ribs on the left side and in the opinion of the attending physician, Dr. R. E. Hearne, the principal danger is from pneumonia.

Capt. Wood and his two sons, Ed and Charles, reside in two rooms upstairs, and the mother of the boys, Capt. Wood's divorced wife, and now wife of John Hobson, frequently comes to Paducah from Metropolis, where Mr. and Mrs. Hobson reside, to see her children.

Officers Terrell and Cross after the cutting, arrested Hobson, and Dr. R. E. Hearne was called to dress the wound. He advised that Capt. Wood be taken to Riverside hospital, and the officer consented. He was never unconscious, but suffered considerably from loss of blood.

Mr. Hobson was seen this morning at police headquarters and his side of the story secured.

"The facts as far as I am concerned are as follows," he stated to a reporter. "My wife came to Paducah from Metropolis yesterday to see her son Charlie, who had been in St. Louis. She stated she intended coming back on the 6 o'clock boat but failed. I came to Paducah on the Warren, which runs in the Dirk Fowler's place, and arrived about midnight, the boat being late. I went directly to Capt. Wood's room where I knew she would be with her boy, and knocked on the door. Capt. Wood opened it and asked me what I wanted, using rather rough language. I informed him I wanted to see Minnie and he told me to 'get away, O—D—me or some one would have to carry me away.' About this time Minnie came out of the second door and lead me on down the stairs. When the bottom of the flight of stairs was reached I turned and for the first time saw Capt. Wood following. He struck me and felled me to the floor. I got up, opened my knife and made a slash at him, but did not know that I had cut him, thinking I was not close enough."

Mr. Hobson stated that he was not drunk and had not been drinking and that he did nothing to provoke the assault.

The account of the trouble given by Capt. Joe Wood is somewhat different from that of Mr. Hobson. When seen at Riverside hospital today by a reporter he said that his son, Charlie, had been to St. Louis, and had just come back, and his mother came to see him.

"Dr. W. T. Graves and myself ate a lunch together and when I returned to my room she was still there asleep in the front room with Charlie, my son," Capt. Woods continued. "In the rear room was my nephew, Paul Matthews. I went in and went to bed with him. Directly there was a rap at my door and I opened it and saw John Hobson. I asked him what he wanted. He asked for Minnie. I said 'John, you go away from here, you know you oughtn't to come here' and shut the door. In a few seconds I heard Minnie go out the other door. I got up and put on my clothes and went down stairs. I think she was in her bare feet so I told him to go on away and told her to go back up stairs and put on her clothes. He did not do so and I struck him with my fist. He staggered, went to the street and ran toward Broadway. I did not knock him down. I stepped to the opening on Fourth street to see if he had gone and he made a slash at me. I felt the blood trickling down my waist, and saw him run about 25 feet away. I went up stairs and looked over the railing looking on Fourth street and saw Extra Policeman Courtney Lang, whose cash office is underneath, and told him to arrest John Hobson as he had cut me. I tried to hide my wound but could not cover it with

my hand. My suspenders had been cut in two by the slash. She asked me if I was cut and I told her yes but not much. She was greatly excited and was afraid I had been seriously hurt.

"I did not have my pistol, not expecting any trouble, I had left it on the mantle in my room. I did not go back after it."

Dr. Hearne said this afternoon that the wound was not necessarily fatal and that Capt. Wood will recover if complications do not set in. He was resting well at press hour. The case against Mr. Hobson was called today in police court, and he wanted an immediate trial, but it could not be accorded him on account of Capt. Wood's inability to attend court.

Mr. Hobson gave bond this morning and was released from custody.

The bank clearings for Paducah this week are the largest in the history of the city, passing the million mark for the first time.

They were swelled by the big public properties deal, which brought several hundred thousand dollars in cash in the city.

Business generally has been good this week, the horse show crowds spending considerable money, and the pay train discharging its usual load of cash among the railroad people.

The fall rush is on and business will improve from now until the holidays.

New Independent Manager.

W. A. Love, of Elkhart, Ind., has been secured to manage the Paducah Home Telephone company and will take charge about November 1. He succeeds C. D. Davis, who resigned to take another management. J. "For the account of the Southern Railway company and the Illinois Central Railroad company, the Standard Trust company of New York has obtained a three-year option upon a controlling interest in the stocks and bonds of the Tennessee Central Railroad and the Nashville Terminal Co."

"Pending the life of this option, the securities have been deposited subject to the control of the Standard Trust company, and it is expected that the Tennessee Central Railroad company will be operated directly in the interest of the two railway companies, so as to give each of them an entrance into the city of Nashville."

"It is probable that \$2,000,000 will be spent in Nashville in extending terminal facilities, building new shops, etc."

"A large body of land has been purchased in the northern outskirts of Nashville. This tract will be devoted exclusively to the Illinois Central purpose. Large shops are to be built there."

Sold the Standard Oil Its 60 Cents.

Tapeka, Kan., Oct. 21.—A meeting of the creditors of the C. J. Devlin estate, which is at present in the hands of a receiver, was held today. The total claims filed amounted to \$3,180,203. A feature of the meeting was the filing of a claim against the estate by a representative of the Standard Oil company. This claim amounted to only ninety cents. It raised a laugh, and on motion of Thomas F. Doan, attorney for some of the creditors, a collection was taken up to pay the claim. The money was sent with a sarcastic letter dictated by Eugene F. Ware.

First came the decorated vehicles driven by the children and as they drove around the ring the grandstand applauded continually. It was one of the most inspiring spectacles ever witnessed in Paducah. When it came to awarding the ribbons the spectators yelled out to give them all two ribbons. The judges for this event were Mr. Robert Hayes, of Mayfield, and Mrs. T. C. Leech, of this city. It was hard for them to pick the winners, but finally they awarded the ribbons as follows: First for the boy, William Hughes, son of Mr. and Mrs. D. H. SCHOOL HEATERS

BEGIN TO GIVE THE TEACHERS
TROUBLE.

It Is Probable Changes Will Have to
Be Made at Once.

The heating of some of the public school buildings has begun to cause trouble, and it is probable some of the heating systems will have to be modified.

Said an official today:

"In the Lincoln building, colored, stoves are being put up and every defect in radiation remedied in all schools. In the High school the radiation has never been what it should be, and will have to be overhauled. The piping is said to be too small and the radiators too few. There is talk of putting in a hot water plant like the McKinley, the best heated school in the city. This seems to be the only solution to the matter."

The school board will be called upon to put in a gas heater in the school board room which is used also as an office for Supt. Leib. On meeting nights the steam has all died out of the radiators and as only one room in the building is necessary to be heated, the board thinks it cheaper to put in a gas stove than to burn a lot of coal for the one meeting night.

MUCH SKEPTICISM
OF SMITH'S RETURN

Said to have Taken Big Amount
of Cash and Securities.

The Case Has Attracted Attention
All Over the Country
Now.

MANY THINGS COME TO LIGHT

Smith's Destination South Africa.

Louisville, Ky., Oct. 21.—The latest rumor concerning W. B. Smith, is that he has gone to South Africa, and that there is no probability that he will return voluntarily to Louisville. Close friends believe that Africa and not the West Indies, was his destination when he left Louisville, and, that realizing the fix he was in, he decided to get far away. It is also said that Smith took all the money he could raise with him, and that he had from \$50,000 to \$100,000. He is said to have disposed of property worth \$90,000 in Paducah for \$40,000. This consisted of real estate and stocks of various kinds, including a large holding in an Arkansas land company. Recent deed books in the office of the county clerk here show decided activity in real estate, in deals with W. B. Smith named as grantee.

The W. B. Smith case has aroused great interest all over the state, as well as in other places. In none of the papers has anything been said about what became of Smith's family. Friends in Paducah have received information, however, that she is in Louisville expecting to hear from her husband. The children are with her people near Madisonville. Mrs. Smith has many friends in Paducah who feel a deep sympathy for her in her trouble.

The Louisville Post says: The machinery of the department of justice of the United States is now well in operation looking toward the extradition of Mr. Smith. District Attorney Hill has communicated with the federal authorities at New York, and has asked that thorough search be made for the missing banker in that city.

Some of Mr. Smith's friends say that it is their opinion that he intends to return to the United States voluntarily but such is not the opinion of the federal authorities here. It is believed that Mr. Smith will not return to Louisville until he is brought in the custody of an officer of the federal government. Honduras, and not Puerto Rico, is the present location of Banker W. B. Smith, according to a rumor circulating on Main street. The point is made that if Mr. Smith's intention is not to return, Honduras offers decided advantages, in that there are no extradition laws, whereas Puerto Rico is United States territory.

Members of the firm of Snow & Church, with whom the missing financier had closer relations than with any other local concerns, insist that Smith will return, and declare that the best evidence that his departure was not light is afforded by the fact that he was accompanied by his father, A. C. Smith, a farmer of Henry county, living near Newcastles. This information, according to a member of the Snow & Church firm, came through one of the Smith brothers, C. R. Smith, of Boston, Ky., who shares the family proclivity for banking, and is interested in a country institution.

Snow & Church said this morning: "We expected to hear from Mr. Smith last night, but are not alarmed because we have not heard. We will get word from him in a day or two."

A gentleman told the Evening Post this morning, that a friend had stated that he had talked with Smith shortly before he left Louisville, and that the latter had shown him \$50,000 in cash, and had said to him, "Come with me to Honduras, and we'll make a fortune in no time."

All Smith's business connections believe that Smith had amassed considerable property, though everything he had was encumbered. He had interests in several coal mining properties, but bonded them, deposited the bonds with the Western Na-

colored satin costumes as servants together with middles, waiters, maids, etc., the whole presenting a most inspiring and animated scene of novelty which is truly a rare departure from anything ever before presented by this hustling and energetic caterer to the pleasure of the public. The Elks to Put On a Show.

What promises to be a great treat for our theater goers next month will be the Elks production, with all local talent, of "A Night in Bohemia," a musical comedy that has been played by the Elks of all the large cities and was a big success at Nashville when played there last week. Mr. T. P. Getz, the author of the play, and who represents the Empire Amusement Bureau of New York will have charge of the show and will coach and train about 75 of our best local ladies and men in the songs, dances and big musical numbers that are a part of the production. Mr. Wallace Munro, manager of Louis James, who saw the play at Nashville said: "I like 'A Night in Bohemia' because it is so clean. It not only made me laugh but it touched my heart strings with its beautiful sentiment. The Elks will certainly make a big hit with it." It will be produced with special costumes and electric and scenic effect and the first rehearsal will be held early next week.

One of the funniest entrances for a comedian in comic opera is made by Edward Garvie in "The Forbidden Land," soon to be in Paducah. He is captured by a Tibetan mob and brought into the sacred city of Lhasa astride a rail.

Circus Passes Through Tomorrow.

The big Ringling Bros. combined shows will pass through Paducah tomorrow morning en route to Nashville and arrangements for a thorough service via Hopkinsville over the Tennessee Central road have been made. The circus will be run in four sections, 77 cars, total, and will leave Cairo, Ill., at 12 o'clock Saturday night. The trains will be run straight through.

WEAK KIDNEYS

It is of but little use to try to doctor the kidneys themselves. Such treatment is usually to blame for their weakness or irregularities. They have no power—no self-control. They are operated and controlled by a fine network of nerves which is largely responsible for their condition. If the kidney nerve is strong and healthy, the kidneys are strong and healthy. If the kidney nerve goes wrong, you know it by the inevitable result—kidney trouble. This tender nerve is only one of a great system of nerves. This system controls not only the kidneys, but the heart, and the liver, and the stomach. For simplicity's sake, Dr. Shoop has called this great nerve system the "Kidney Nerve." They are not the person of feeling, not the nerves that enable you to walk, to talk, to act, to think. They are the master nerves and every vital organ in their slave. The common name for these nerves is the "sympathetic nervous system." Such a set is in such close sympathy with the others that weakness anywhere mutually results in weakness everywhere.

The one remedy which aims to treat not the kidneys themselves, but the nerve which is behind them, is known by physicians and druggists everywhere as Dr. Shoop's Restorative. It is a simple, safe, and strictly a natural remedy. While it usually brings speedy relief, its effects are also lasting.

If you would like to read an interesting book on the kidney nerve disease, write Dr. Shoop. With the book he will also send the "Health Token," an intended passport to good health. Both the book and the "Health Token" are free.

For the free book and the "Health Token," you must address Dr. Shoop, Box 217, Raleigh, W. Va. State with book you want.

through and the officials have given orders to give a clear track. The shows will play Hopkinsville on return and then Paducah.

To Present "Powhatan."

Mr. W. A. Baker, who has directed several amateur operas here, has consented to present Powhatan here again. He produced this twelve years ago in Paducah, and the reproduction will be for the benefit of the Home of the Friendless about Thanksgiving Day. Arrangements for the presentation will shortly be made.

Louisville to Have Independent Theater.

Dispatches from Louisville announce that a new \$250,000 independent theater, is to be built there. Congressman Joseph L. Rhoton is among those interested in it.

Some of the attractions controlled by the Independent Syndicate are David Warfield, now playing in "The Music Master;" Mrs. Leslie Carter, Mrs. Minnie Madden Fiske, Ada Rehan, Blanche Bates, De Wolf Hopper, Jefferson De Angeles, Edna Wallace Hopper, Bertha Kallisch, "Mouss Vanna," Robert Hilliard, Bertha Galland and others.

May Organize Band.

Prof. Harry Gilbert has on foot a move to organize a big band in Paducah for pleasure, a band that will play the big events which would call for bigger bands than the commercial bands now organized here for business playing alone.

Prof. Gilbert is an intimate friend with every Paducah musician and wants to get a band of about thirty pieces together. He will have regular practice nights and desires to drill the band up to the highest standard of excellence. There is abundance of material in the city to work on and it is probable the band will be organized in a few days. It is not the intention of the organizer to go on for business.

PARSIFAL HERE.

Cairo Well Pleased—Big Matinee Crowd This Afternoon.

The Parsifal company arrived from Cairo this morning about 8 o'clock, and is a large one. One thing unusual about it is the number of audience looking people with it. Many of them are typical musicians, with "long, flowing hair and classic brow."

Cairo went wild over "Parsifal" last night. Manager Dan Williamson of the Cairo Opera house, gives the company the highest endorsement, and in a telephone message said that the audience was spell bound much of the time, and a pin dropped could have been heard all over the house.

The matinee crowd at The Kentucky this afternoon is large and the prospects are for an immense audience this evening.

MYSTERIOUS CUTTING.

Warner Williams, Arrested On Suspicion, Says He Didn't Do It.

Warner Williams, colored, was arrested last night and looked up pending an investigation of a light which occurred in the hotel's alley neighbor hood last night.

Williams claims he was standing in an alley talking to a woman when a strange negro came up and struck him. Williams stated that Will Shelton, colored known as "Yellow Boy" was standing near and intervened, cutting the stranger with a knife or razor. He denies that he did the cutting. The police will look for the wounded man and Shelton and further investigate the cutting.

TEACHERS MET.

Literary Society Enjoyed Session Yesterday Afternoon.

Yesterday afternoon the second general literary teachers' meeting was held at the High school building and was one of the most successful meetings ever held.

One very gratifying feature of the meeting was the presence of the entire "Cafeteria Class," a class composed of ten members of the senior class who are taking this extra course to prepare themselves for teachers. This is a new feature inaugurated by Superintendent and he expects to be able to pick several excellent teachers from the class when the two years course has been completed.

The subject of yesterday's meeting was "McMurry's Methods of Recitation," and the meeting was conducted by Prof. E. B. Payne. Each month a different principal conducts the meeting. The first meeting was conducted by Prof. J. T. Ross.

"The Paducah schools are gradually coming to the front, but too much is expected in so short a time," a well known official declared this morning. "This year the schools are nearer perfection than ever before."

"The Great Barlow Minstrels"

The Eternal City.

"The Eternal City," Hall Caine's dramatization of his widely read novel of the same name, with the complete musical setting written expressly for it by Mascagni, composer of "Cavalleria Rusticana." When it comes to the Kentucky theater on Tuesday night with Jane Kennark in the leading role, supported by W. E. Bonney, Emmett C. King, R. V. Ranous and Jefferson Lloyd, will give local playgoers an opportunity to see an even stronger and more interesting play than the author's earlier drama, "The Christian," the success of which has been greater than that of any other play for a decade. The Kentucky management in obtaining Miss Kennark for the role of the fascinating Donna Roma Volonna have secured one of the most talented actresses in America. Each of the 28 speaking parts are excellently cast.

The Fortune Teller.

When Alice Neilson produced "The Fortune Teller," one of the brightest and most tuneful comic operas the American stage has seen in the past quarter of a century, she stopped at nothing in the matter of expense to make the production as beautiful as it could be made. This entire production which cost Miss Neilson in excess of \$40,000, is being presented again this season under the direction of Milton and Sargent Aborn, who, with what is reported to be a most excellent company, are duplicating the original success made by Miss Neilson with this beautiful opera. The organization includes a selected cast, headed by Grace Orr Myers, who is the only American prima donna who has yet been able to follow in Miss Neilson's footsteps successfully. Miss Myers is one of the youngest prima donnas on the American stage, her first big success a couple of years ago being as soubrette with the Frank Daniels' company, and later prima donna in "Peggy From Paris." Miss Myers' efforts are most satisfactorily supported by the work of clever comedians and an excellent cast all through, surrounded by a big beauty chorus. As to "The Fortune Teller" as an opera, it is conceded to be one of the classics of American comic opera, and is probably the most meritorious, and yet the most popular, of the compositions of the famous bandmaster, Victor Herbert. Harry B. Smith supplied the book of the opera, which is all that can be desired in the way of a bright, entertaining vehicle for the talents of a clever cast, and for the antics of the comedians. It will be at The Kentucky Wednesday matinee and night.

Barlow's Minstrels.

The Great Barlow Minstrels which visits Paducah Saturday always fulfills every promise made the public in providing one of the cleanest, most pleasing attractions of the season's offerings to all those who enjoy the latest in popular ballads, ragtime and sentimental songs, and an efficient and capable corps of comedians whose witlings, repartee and mirth are not allowed to approach anything, like coarseness or vulgarity, by the management.

The singers, represent ship's officers, the admiral in full dress regalia, and the comedians in brightly

The Week In Society.

THE LADY OF TODAY.

I may not ride with helm and shield
And coat of steel and gold,
To fight for her in tilt or field,
Or fight with dragons old.

I may not save my lady fair
From hags fierce and gray—
There are no giants anywhere,
Nor dragons, left today.

I may not wear her little glove
Upon my helmet high—
But I can fold her around with love,
And love her till I die!

—Charles Huxton Goring.

Horse Show Week.

While the week has been quite filled with gaiety there is little to chronicle in review as most of it can be summed in the two words Horse Show. The Kentucky theatre has had a number of good things, also, and there really has been an embarrassment of riches on many of the evenings.

Paducah's first Horse Show while evidently under the ban of the clock of the weather, rose superior to it and was a pronounced success. From the standpoint of society it was a brilliant event, the presence of the many charming visitors lending additional interest to the occasion. The boxes were filled each evening and many striking and beautiful costumes were in evidence.

Miss Leech and Mr. Fowler's Wedding Announced.

Mr. and Mrs. William Armour tardily announce the approaching marriage of their sister Miss Martha Leech to Mr. Samuel A. Fowler. The wedding will take place on Tuesday, November 7, at 8:30 o'clock in the evening at the home of Mr. and Mrs. Gardner on Fountain avenue.

Miss Leech is the youngest daughter of the late Thomas C. Leech, a lending banker and financier of Paducah, and is one of the most attractive girls in the city. She is strikingly handsome, and her charm of personality and winning gracious manner have made her an acknowledged belle ever since her entrance into society. She is a favorite not alone in Paducah social circles but in other cities where she has visited, having traveled extensively and spent some time abroad.

Mr. Fowler belongs to one of the oldest and most prominent families of Paducah and is himself identified with the highest and best of the city's upward growth. He is the only son of the late Captain Augustus Fowler and is a grandson of Dr. Reuben Saunders one of the most prominent of the pioneer physicians of Southwest Kentucky. Although a young man Mr. Fowler stands high in the business life and councils of the city, being a member and secretary of the board of public works. He is, also, well known in the river business and is superintendent of the Tennessee and Cairo River Transportation company, as well as filling other important trusts. He is popular socially in other cities beside his home town.

The prominence and popularity of the couple will make this a wedding of extensive social interest and doubtless there will be many guests from a distance present. The invitations will be out on Monday.

Attendants and Guests at Reed-Noble Wedding.

The marriage of Miss Emma Reed and Mr. Edmund Pearson Noble on Tuesday at 9 o'clock in the evening at the bride's home, is an event of more than usual interest owing

to the wide social prominence of the couple. A reception from 9:30 to 11:30 will follow the ceremony.

It will be a white wedding, and very beautiful in all its details and setting. Mrs. Harry G. Tandy, of Frankfort, and Mrs. Gustave Warneken, of Clarksville, are the matrons of honor. Miss Carrie Rieke is the maid of honor. Mr. Robert H. Noble, brother of the groom, is the best man, and the groomsmen are Mr. Charles Spillman and Mr. Cook J. Haskins. Mr. Nolan Van Cull and Mr. William M. Rieke are the ushers. The ceremony will be performed by Rev. W. E. Cave, D. D., of the First Presbyterian church, assisted by Rev. David Cady Wright, rector of Grace Episcopal church.

Among the out-of-town guests expected for the occasion are:

Mr. and Mrs. J. L. Kilgore, of Anderson, Ind.; Mr. and Mrs. Martin Norton, of Anderson, Ind.; Mr. and Mrs. Clem Hooden, of Anderson, Ind.; Mr. and Mrs. Gustave Warneken, of Clarksville; Mr. and Mrs. Walter Baxter Pace, of Louisville; Mr. and Mrs. Chas. Jarrett, of Hopkinsville; Mrs. Harry Tandy, of Frankfort; Mrs. Anne Berryman, of Clarksville; Mrs. James Black, of Terre Haute; Miss Elizabeth Tandy, of Frankfort; Mr. Frank Fulton, of Louisville; Mr. Jack Lowry, of Clarksville; Mr. Harse Caldwell, of Clarksville.

Luncheon to Miss Reed.

Miss Carrie Rieke was the hostess at a charming luncheon today at her home on Kentucky avenue, given in honor of Miss Emma Reed. A white and green color-motif was carried out in the decorations which attractively emphasized the spirit of the occasion. The center-piece was a heart of white flowers and smilax, pierced by an arrow. The place-cards were envelopes addressed to each guest and containing a card with the names of Miss Reed and her fiancé. Mr. Edmund Pearson Noble, the envelope being sealed with a gold heart. The seven-course menu was in harmony throughout with the white and green effect. Before leaving the table the bride's health was drunk with many clever toasts. The guests were: Mrs. Harry G. Tandy, of Frankfort; Mrs. Gustave Warneken, of Clarksville; Mrs. Anne Berryman, of Clarksville; Mrs. William O. Bailey, of Louisville; Mrs. Walter Baxter Pace, of Louisville; Misses Emma Reed, Elizabeth Sinnott, Martha Leech, Adine Morton, Cherrie Morton.

Mrs. Nash, Vice State Regent.

At the state convention of the Daughters of the American Revolution in session at Danville this week, Mrs. Maurice H. Nash, of this city, was unanimously elected vice state regent. This is very gratifying news to her home chapter, and to the Louisville chapter and others who were solidly instructed for her. Mrs. Nash was the regent of the Paducah chapter at one time, and is a gracious and popular woman who will fill the high position most worthily.

Mrs. J. N. McCormick, of Bowling Green, was made regent. Mrs. Sallie Marshall Hardy, who was here at the state U. D. C. convention last October, was elected vice president general.

Sponsors' German.

The sponsors' german at the Palmer House on Thursday evening was a very brilliant affair. The dancing did not begin until after the horse show events. Many out-of-

town visitors were present, and the costumes were striking in beauty and effectiveness. The parlors and dining room were decorated with flowers, plants and the Horse Show colors. Punch and individual cakes were served during the evening. In the receiving line were: Mr. and Mrs. Robert Becker Phillips, Mr. and Mrs. James A. Rudy, Mr. and Mrs. Samuel McCall, of Fulton; Mr. and Mrs. Herbert Carr, of Fulton; Mr. and Mrs. Clinton Terrell, of Cairo; Mrs. John Campbell and Mr. S. A. Fowler; Mrs. Houston Fall, of Nashville; and Mr. Will Webb; Miss Anna Parks, of Nashville; Mr. Stewart Sinnott; Miss Elizabeth Sinnott and Dr. Richard Morris, of Marion, Ky.; Miss Ethel Morrow and Mr. Gus Thompson, Miss Patty Crook, of Jackson, and Mr. Herbert Hawkins, Miss Bernice Frost, of Wingo, and Mr. Douglas Nash, Miss Meme Smith, of Owensboro, and Mr. Henry Rody. Miss Ruffinell, of Macon, Ga., and Dr. J. H. Howell, Miss Ruffinell, of Macon, Ga., and Mr. Walter Iversen, Miss Hattie Davis, of Hirswood, and Mr. Jesse Worthen, Miss Hal Moorman, of Mayfield, and Mr. Chas. James, of Evansville; Mrs. Jacob Corbett, of Wickliffe; Miss Jennie Wis., of Mayfield; Miss Grace Smith, of Mayfield; Mr. Henry Hale, of Mayfield; Miss Mary Carr, of Fulton; Miss Emma Woodward, of Cairo.

Of Interest Here.

The wedding of Miss Kate Nelson Robins, formerly of this city, and Mr. Willis Leon Gregory, which took place on Tuesday evening at the bride's home at Ravenswood, Chicago, is described as a very beautiful affair. The house was effectively decorated with plants and flowers, a color-scheme of pink and green being emphasized. Rev. Daniel Hamill, assistant editor of the Epworth Herald, Chicago, performed the ceremony. The bride was very handsome in a white crepe de chine princess gown trimmed with chiffon and lace with pearl collar, the bridal veil and orange blossoms. The maid of honor and ribbon bore's wore pretty costumes of pink and green silk tulle. A reception followed the ceremony. An elaborate course-luncheon was served and the bride's table was artistically decorated. The individual toasts and cakes were in the form of titles and toasts.

The bride is the only child of Mr. and Mrs. W. N. Robins, formerly prominent residents of this city, and is extensively related here. She is a handsome, talented girl, and has a large circle of friends in Paducah. The groom is a rising young man connected with the Santa Fe railroad in Chicago. The couple went to Denver on their bridal trip and the bride's going-away-gown was a green cloth, with hat to match.

Sans Souci Club.

Miss Ethel Morrow entertained the Sans Souci club very delightfully on Tuesday afternoon at her home on Broadway. It was a Horse Show party, and the house was attractively decorated in blue, red, yellow and white, the Horse Show colors. The tally cards were hand-painted horse heads. Mrs. Victor Voris won the visitors' prize and Miss Clara Thompson the club prize. The hostess prepared a miniature horse decorated with the colors, was taken by Miss Blanche Hills. The Horse Show also was artistically emphasized in the two-course luncheon served after the game. Only the club members and a few guests were present.

Afternoon Reception to Sponsors.

The informal reception, on Wednesday afternoon, from 3 to 6 o'clock in the Palmer house parlors in honor of the Horse Show sponsors and visitors in the city was a very delightful occasion. The rooms were attractively decorated with plants and flowers and the Horse Show colors were in evidence. The entertainment committee: Miss Eliza-

beth Sinnott, Mrs. John P. Campbell, Miss Emma Reed, and Miss Ethel Morrow received the guests. Punch was served during the hours. About seventy-five guests were present.

Parish House Reception.

A pleasant occasion of the week was the reception at the handsome new Parish House of Grace Episcopal church on Monday evening from 8 to 11 o'clock. The vestry of the church received and delightful refreshments were served by the church societies. Right Reverend Charles E. Woodcock and Archdeacon M. M. Denton, of Louisville, were guests of honor. A large crowd was present.

Delphi Club.

The Delphi club held an interesting meeting Tuesday morning at the club room in the Carnegie library. "Blanche of Castle and Her Son," was delightfully discussed by Mrs. Elbridge Palmer and "Margaret of Provence" by Mrs. Frank H. Parham.

Friends' Society Entertained.

The Friends' society of Grace Episcopal church was entertained by Mrs. Josephine Jacobs, of North Eighth street, on Wednesday afternoon. It was a pleasant social occasion and a delightful lunch on was served by the hostess.

A Surprise Party.

Miss Maggie McHenry, of 1216 Tennessee street, was surprised on Wednesday evening by a number of her friends. Refreshments were served and the occasion was most pleasant.

Pleasant Evening Party.

D., will perform the ceremony. Miss Eunice Landrum, of Martha, Tenn., will be the maid of honor and Mr. Ralph Warren, of this city, is the best man. The ushers are Mr. Lester Yarns, Mr. Will Reed, Mr. John Wilkins, and Mr. Lou Oliver, all of Paducah. Miss Virginia Newell will play the wedding march. The bride and the maid of honor will wear white. After a bridal trip to Milwaukee

and other points the couple will reside in Paducah.

Invitations have been received here to the wedding of Miss Fannie May Porter and Mr. James William Day, of Owensboro, at the Fourth street Presbyterian church in that city on November 8th at 2 p. m. They are prominent young people with friends here. Mr. Wheeler Campbell will probably attend.

OFFICIAL BLACKMAIL.

James M. Beck, of New York, addressing the Fire Underwriters' Association of the Northwest at Chicago, touched a vital phase of the question of relation between insurance and other corporations and the public, says the Globe-Democrat. He charged that much of the diversion of insurance funds can be accounted for as money spent to protect the companies, and the interest of their policy holders, against threatened legislation in the various states. Mr. Beck called it "oppressive legislation" and he said that large sums of money in the hands of insurance companies are spent in this way to protect policy holders against loss. If true, this claim is entitled to consideration in considering means for putting an end to present evil conditions. That there is an element of truth in the charge makes it worthy of a fuller statement than Mr. Beck seems to have given it, as he is reported in the press. "Let our stern moralists," he said, "visit their greatest condemnation upon the legislative highwaymen, who hold up these great business interests, and, above all, upon an indifferent people, who clothe the highwaymen with the power to hold up their victims."

ported in the press. "Let our stern moralists," he said, "visit their greatest condemnation upon the legislative highwaymen, who hold up these great business interests, and, above all, upon an indifferent people, who clothe the highwaymen with the power to hold up their victims."

This is a strong indictment, one count of which can be clearly proved. It is a notorious fact that there are "legislative highwaymen." Scores of bills are introduced in legislative assemblies, directed against corporations amenable to public regulation, with no other purpose than to compel the corporations attacked to pay money to have these bills defeated. Missouri, as well as other states, has had demonstration of this fact. After the passage of the banking powder trust law, every subsequent session of the assembly brought with it the introduction of bills to repeal that law. These bills were black-mailed levied upon conscious guilt which would pay for protection of a monopoly. It was in the defeat of a repeal bill that Daniel J. Kelley spent the large sums of money which afterwards led to exposure. Kelley's flight to Canada, the confessions of Lee, and the indictment of members. The corporation had paid liberally, not to prevent a contemplated wrong against itself, but to perpetuate a consummated wrong against the public. Again, the Lyons bill to reduce the fees of the St. Louis coal oil inspector was so obviously introduced for the purpose of forcing the payment of hush money that when the coal oil inspector paid Lyons his price, the bill was dropped. The fees of the inspector's office were extortionate and outrageous, constituting a public robbery. Therefore, the money was paid, as hush money to a blackmailer, in order to continue a public wrong.

In the great majority of "sand-bagging" bills is the expression of a public right. Were it not so, such bills would be without strength, and have no terrors for an honest man or corporation. It is their intrinsic merit, and a public demand for the reforms they promise, which gives them the support making it necessary that the sandbaggers and blackmailers who introduce them shall be "seen." A sandbagging bill which does not voice public protest or insistence is without standing and costs nothing to beat. This is the rule, proved by very rare exceptions. But were it not so, beyond the legislatures are the courts, waiting to serve the ends of justice, and invalidate proceedings against equity and public policy. The official black-maller is unquestionably one of the forces weakening state government in the country. Mr. Beck does well in telling the people plainly that their indifference in the election of their lawmakers is responsible for many of the ills of which they complain. But he should understand that, if corporations would deal fairly with the people, and seek to serve rather than defeat the ends of their creative there would be an end of "legislative highwaymen," and the official black-maller would disappear with the guilty consciences of corporation managers.

MUCH SKEPTICISM IN SMITH'S RETURN

(Continued from First page.)

tional and took the money out. All Smith's financial transactions, it is said, manifested his guiding principle to "take the cash and let the credit go."

When Smith bought control of the Western bank, which was capitalized at \$150,000, \$75,000, with a few hundreds additional, would have been sufficient, but he deposited with the Fidelity Trust company a check for \$75,000. President John Stiles accepted this check and it was paid in the time.

Yesterday's Courier-Journal says: It is believed that officials of the Western National bank will attempt to develop before the jury when W. B. Smith is brought to trial that the alleged misappropriations and embezzlements took place after banking hours. When the bank was first closed it was said by a prominent official that Mr. Smith had operated the bank in a very irregular manner. Many of the heaviest pieces of paper were accepted or negotiated after banking hours, and it is said that loans were actually made and paid as late as 6 o'clock in the afternoon. This necessitated a change in the books in order to enable the clerks to reach a balance for the day, and these were naturally made under Mr. Smith's supervision.

It is claimed that Mr. Smith failed to loan any of the larger amounts during regular banking hours, as is the regular custom, and that changes in the books, after the business for the day had been completed, were frequent. This may account for the ease with which the various alleged manipulations were made without discovery for so long. It is known that the officers of the bank were not aware that the books did not agree with the paper in hand, until Mr. Garrett made a systematic examination. This included the checking of the books with the paper, both discounted and collateral, which happened to be on hand.

The Western bank officials do not think that the last count in the indictment, which charges that Smith embezzled \$50,000 of the funds of the bank, can be substantiated. President Jefferson said this amount was evidently made way with through a loan to George C. Wallace and others, which paper the officials do not regard as entirely worthless. It is further said that the books do not show where Smith actually took \$50,000 of the funds of the bank. When Smith came to Louisville from Paducah he acquired a big block of the stock in the Western bank, which was then a state institution.

Yesterday's Louisville Times says: The first trouble that is said to have developed for Smith was when a Louisville bank, which had a note for several thousand dollars that had been guaranteed by the Globe Bank and Trust company of Paducah during the time Smith was vice president, requested payment of same. The Globe Bank and Trust company examined its books and could find no record of having rediscounted the note, and, after some correspondence, refused payment. Smith was sent for, and he went to Paducah.

In the course of the conference about this note it is claimed that Smith admitted that he had stamped it with the guarantee of the Globe Bank and Trust company and had sent it away for rediscount. It is stated that the Globe Bank and Trust company officials then wanted to know how much other paper he had sent out in the same way, with the guarantee of the institution, and the statement is made that Smith confessed that he had obtained \$150,000 in this way on paper which would mature in the future. The Globe Bank and Trust company had never gotten the benefit of a dollar of this money, so it is stated, and Smith, it appears, admitted that he had received the money, drawing against the credits in the bank where the paper had been rediscounted. None of this paper bore Smith's name as maker or indorser, so it is claimed, but the names of other people, either fictitious or irresponsible.

The officers of the Globe Bank and Trust company, it is stated, told Smith that they were going to send him to the penitentiary. He is said to have replied that it was unnecessary to take criminal action, that his bank in Louisville (the Western National) would take care of all the paper as it fell due. Smith not only is said to have taken up the first piece of paper, but all of the remainder as it matured, amounting as stated, to the sum of \$150,000 in round numbers. The belief on the part of those who have made the matter the basis of investigation is that he used the

funds of the Western National bank for this purpose, and if the suit is brought that will be the basis of the claim against Smith, though whether it will be brought or not must be decided this afternoon, and no action may be taken in any state of the case until service can be had. The last of the paper is said to have been taken up about five months ago.

Yesterday's Louisville Post says: Sensational developments in the V. B. Smith case are following thick and fast. At the time he left here it is stated that Smith's holdings of securities were checked up at a local trust company and it was found that he held \$350,000 in stocks and bonds, which he presumably took with him when he left. Smith may return to Louisville to face the charges against him, or he may be brought back, but there is a disposition in financial circles to believe he will not voluntarily return.

PADUCAH'S FIRST HORSE SHOW ENDS

(Continued from first.)

and Elvin Berry, in two-seated, two-wheeled rig, decorated with pink roses.

The musical drill had to be eliminated as all the participants could not be gotten together.

During the children's drill, under the direction of Capt. S. A. Fowler, the youngsters were told to "go" and there was genuine racing, which brought down the grandstand. It was as exciting as a chariot race. For several seconds every driver was hunched and all eager to gain a lead. It became so exciting that Judge Robert Hayes was run into and knocked down, but fortunately did not get hurt.

The events, entries and prize winners after the decorated rig event were:

Best lady driving single—Mrs. Geo. Flournoy, Mrs. Luther Graham, Mrs. Charles Graham, Mrs. James Glander and Miss Martha Leech entered, but the latter was disqualified on account of not owning her horse. Mrs. Luther Graham got first prize and Mrs. James Glander second.

Best pacing horse driven single—E. H. Haley, of Murray, George Meyers, of Golconda, Mr. Vance, of Maxon's Mill, and Arthur Y. Martin, of this city, entered. Mr. Meyers got first and Mr. Haley second.

Best boy rider—Henry Kendall, Herney Dawes, Thomas Newell and Dave Yelzer entered. Herney Dawes got the prize.

Best combination horse, mare or gelding—C. A. Van Meter, Gus Thompson, Rev. W. W. Armstrong, Mr. Fitzgerald, of Cairo, Mr. Mills, of Murray, entered. Rev. Armstrong got first and Mr. Fitzgerald second prize.

Best five-gaited horse rider—Rev. W. W. Armstrong, Gus Thompson, Ben Frank, James Glander, of this city, and E. H. Haley, of Murray, Mr. Boswell, of Mayfield, and Mr. Fitzgerald, of Cairo, entered. Rev. Armstrong got first prize and Mr. Fitzgerald second.

Best couple horseback—Saunders Fowler and Martha Leech, Henry Rudy and Ella Sanders, Vernon Blythe and Martha Davis, Arthur Martin and Elizabeth Sinnott, W. D. Dakins and Dr. Olivia Nelson, Mr. Adams and Annie Mae Yelzer, Mr. Boswell, of Murray and Mrs. George Flournoy, were the entries. Mr. Fowler and Miss Leech got first prize and Mr. Boswell and Mrs. Flournoy second.

Best span driven in double harness—Dr. J. G. Garber, accompanied by Misses Pattle Crook, of Jackson, Lillie Mno Winstead, Belle Cave and Blanche Hills; Mrs. Joseph Friedman, accompanied by Miss Campbell; E. H. Haley, of Murray, accompanied by wife, Mr. and Mrs. Samuel Davall; E. H. Burke, of Cairo, accompanied by Mrs. Birdie Campbell, Miss Martha Leech and Mr. Saunders Fowler; Mr. Wynn Tully, accompanied by his wife and Miss Hale and Mr. Owen Tully. These consisted of the entries and Mr. Haley got first prize and Mr. Tully second.

Children's drill—Fred Luck, William Hughes, Herbert Evtis, Fowler Post, Robert Mills, Henry Leake, Morgan Dawes, Leslie Warren, Jack Cave, Philip Wallace, Elbridge Palmer and James Bass, Jr., were the entries. Herbert Evtis, son of City Jailor Thomas Evtis, won first prize second, Morgan Dawes, son of conductor Robert Dawes, of the Illinois Central.

For the best girl rider, Miss Helen Van Meter got the first prize, and Miss Belle O'Brien second.

For the best light harness horse, the entries were Herbert Hawkins, James Glander, Race Dipple, Ben Frank, C. L. Van Meter, Dick Williams and Owen Tully, of this city; E. H. Haley, of Murray; George Meyers, of Golconda, and Mr. Parkinson, of Golconda. Herbert Hawkins got first prize and Owen Tully second.

This afternoon the farmers' events are taking place, and there is a large crowd present. There are a number of prizes offered. With this program the horse show comes to an end. It has been a success despite the bad weather, and will probably be repeated next year on a much grander scale.

There was a parade this morning of the children's decorated vehicles and it was a very pretty affair. As it had not been announced only a small per cent. of the people saw it.

NOTES OF THE HORSE SHOW.

The horse ridden last night by Capt. S. A. Fowler, who had charge of the children's drill, was owned by Mr. Ed. Fitzgerald, of Cairo, one of the finest animals in this section of the country. She took three ribbons and is a combination mare, with the finest of five gait, all of which are distinct.

Messrs. R. B. Phillips and Ben Wolfe deserve great credit for the success of the horse show. They were the real promoters and devoted

all of their time to it.

Everybody says that last night's program was the best of the horse show. The children's feature was great.

The crowd last night was the largest of the show. The grandstand was almost full.

The case of Joe Wood against the Democrat Publishing Co. was continued.

The case of Roland Duncan against the News-Democrat was set for the seventh day. Duncan sues for \$10,000 damages for alleged libel.

In the case of Mary Watson against J. M. Watson, the prayer for divorce was not sustained, but alimony amounting to \$400 given the plaintiff.

The demurrer to the petition in the case of the Paducah Packing Co. against J. W. Howell was sustained. Judge William Reed yesterday made an order in the case of the City of Paducah against Lem Jones, a saloon keeper, and his surety, Messrs. Adolph and Lee Well, in which he took the petition for confessed. This suit was brought to force Jones' bondmen to forfeit the \$1,000 bond given the city to insure against the saloon keeper violating any ordinance or city laws. Mayor Yelzer revoked Jones' license for selling on Sunday and ordered the solicitor to bring suit against the bondmen to compel them to pay the bond given the city. The defense made no answer to the petition and it was taken as confessed. Unless this order is set aside, no speeches or action whatever can be taken by either side, and all that remains to be done is for the jury to decide how much damages be paid—if the entire bond be forfeited or not. The case will be submitted to the jury on the 18th day of the term.

Preparing for Federal Court.

Deputy U. S. Marshal George Saunders left this morning for Kut-tawa, Eddyville, Princeton and other nearby towns to summon witnesses in cases in federal court. He will return tonight.

Deed Filed.

The deed in which Jennie Ware and other heirs of the late Morris Maxon, transfer land out near Maxon's Mill, to O. W. Maxon, latter the son of the deceased Morris Maxon, for whom no provision was made in the will, has been filed for record in the county court. O. W. Maxon filed suit in the circuit court to break the will and claim his share of the estate, but the others compromised by transferring this property.

Police Court.

The case against John Hobson for maliciously cutting Capt. Joe Wood, was this morning continued until Monday on account of the condition of Capt. Wood. In such cases a continuance of more than two days at a time cannot be ordered unless the defendant agrees, and the defendant wanted a speedy trial.

Other cases were: Mamie Wilson, colored, breach of the peace, dismissed; Mary Hamilton, colored, breach of the peace, \$5 and costs; Jennie Willoughby, colored, breach of the peace, \$1 and costs; Barney Laevitt, white, breach of the peace, continued; Lula Stovall, colored, breach of the peace, continued.

County Court.

The estate of Elitha Harris was this morning ordered into the hands of the public administrator.

Sues for Divorce.

Rush Green filed a suit against Georgia Ann Green asking for a divorce on the grounds of a five years' separation. They married in 1885 and separated in 1897.

Deeds.

Glip Husbands, special commissioner, deeds to Sam Anderson and others, for \$32.98, property in the county.

Bettie Leigh and others deed to Mary E. Webb, for \$700, property in the county.

C. J. Lee deeds to L. D. Durrett, for \$1,000, property in the county.

LIQUID VENEER MAKES OLD THINGS NEW

Liquid Veneer is a wonder! It will make the whole interior of your house shine like new, making re-finishing or re-varnishing entirely unnecessary. It is not a varnish, but a surface food and cleaner, building up the original finish and making it brighter than ever. It is applied with a piece of cheese cloth and no experience is necessary. No drying to wait for. Removes all scratches, stains, dirt, dullness. It can be applied to any finish with beneficial results. Natural wood, as well as any color of paint, will be better for an application of Liquid Veneer.

Liquid Veneer will improve even the most beautiful furniture. It will take that smoky look from the Piano and other Mahogany, and is highly beneficial to Golden Oak, White Enamel, Gilt, Silver and other finishes.

Liquid Veneer sells at 50 cents a bottle, and a bottle is enough to renovate the ordinary home. Try it and you will always buy it. A few trial bottles at 10c. each
